To Whom It May Concern

Subject: Testimonial Letter for Global General Construction

This is to certify that **Global General Construction** has been engaged by the **Jimma City Administration** for the execution of the project entitled:

"Construction of Walkway, Bike Lane & Greenery Works from Hassen Garage to Honey Land Hotel."

The project is being supervised by the **Ethiopian Engineering Corporation** as the Consultant.

As of the date of this letter, the **physical progress of the project has reached approximately 90%**, and the Contractor is carrying out the works **in accordance with the approved design, specifications, and agreed time schedule**.

The overall performance of **Global General Construction** is found to be **satisfactory**. The Contractor has demonstrated good **technical capacity, proper site management, adherence to quality standards, and timely coordination** with both the Client and the Consultant.

We are confident that the Contractor will successfully complete the remaining works within the stipulated time while maintaining the same level of quality and performance.
